REQUEST FOR APPROVAL OF DRAWING CHANGES

Commissioner for Patents
BOX AF
Washington, D.C. 20231

Sir:

Submitted herewith please find one sheet of new drawings containing new Fig. 11Q.

Approval and entry of this new figure is requested.

New Fig. 11Q is submitted in response to the Decision on Petition dated August 12, 2002 in the above-identified application. In that decision, a previously submitted, entirely schematic version of Fig. 11Q was rejected on the basis that it did not show the relationship between the mechanical fasteners, adhesive, snap-fit, or combinations thereof and the inner and outer shoes of claim 24. Accordingly, new Fig. 11Q is presented showing the relationship between the mechanical fasteners, adhesive, snap-fit, or combinations thereof and the inner shoe 145 and outer shoe 149 of claim 24. Favorable consideration and approval and entry of new Fig. 11Q is requested.
